

## OPENHOUSE

# SUNSHADE WITH SLATS

### Description:

The COVER system sunshade with slats is simple, functional and curate in the smallest esthetic details. Its main feature is to allow a coverage without particular slope. It is resistant thanks to its tubular slats and is hermetically sealed. Exists in version freestanding, wall-mounted or installed on existing structures. The movement can be manual or motorized. By adjusting the opening of the slats, you will manage the flow of air and sunshine you want in your island getaway.

Width max: 2.5 m (no breaks)
